Austria is not in the throes of political chaos, nor is the Dual Monarchy shattered in military strength, according to a letter received in Honolulu direct from Vienna.

Andrew Moore, former manager of Paauhau plantation, who is now in Vienna, shows in this letter a belief that the Germans and Austrians will eventually win. Writing to H. Hackfeld & Co., he says:

Vienna, Austria, Dec. 1, 1914.

Messrs. H. Hackfeld & Co., Ltd.,
Honolulu.

Defects in the Honolulu sewer system have resulted in probable waste of many thousand diars expended in recent years for in in a report filed with the bord of supervisors this afternoon by City Engineer Wall.

One of the faks Wall declares existing in the loal sewer system is the fact that the large sewers, 21, 18 and 24 inches in diameter respectively, empty into a trunk sewer only 24 inches in diameter, thus forcing out surplus sewer matter through over-Gentlemen: I received your kind surplus sewer matter through over-flow dr sewer matter through over-flow dr sewer matter through over-flow dr sins which empty into Nuuanu

flow drains, the former engineers forgot or failed to give aftention to overflows needed in emergency cases on

"This failure on the part of former engineers to construct arterial sewer station was to break down the sewers would empty their flows through the manholes and flood the lower section to Honolulu yesterday. This official,

the sewer surplus has been emptying Lane's visit from the secretary per-through an overflow into Nuuanu schally. stream near Beretania street since Joe Little, then manager of the terriplans slow but they / carrying on of torial water and sewer department, what they want. nifwill finally get caused the overflow to be installed in 1911, and yet no one made any complaint or gave notice of any sort until

"At that time we had a 21-inch and an 18-inch sewer emptying into a catch-basin of a 24-inch trunk at Queen and Nuuanu streets. You can see the foolishness of that. However, that was not the worst thing done. Have Much Cons /
The Germans pondence.

Confidence—whilen and Austrians have confidence—whilen and Austrians have sewers and all three now empty into sewers and all three now empty into combined streams from the 18, 21 and 24-inch branch sewers, and therefore we have an overflow.

To relieve these conditions Mr that another sewer be constructed parallel with the 24-inch trunk from Queen and Nuuanu streets to Fort and Halekaulla streets where the present trunk connects with a 28-inch

Secretary Lane

Gives Honolulu Assurance of Visit to Hawaii

Secretary of the Interior Franklin

The Hawaii official met Secretary Lane only for a moment, but in the exchange of greetings expressed the hope that he would see the secretary in Honolulu in the near future.

"Yes," Lane is quoted as respond ing, "I'm certainly coming down to dawnii just as soon as I can get my work here cleaned up.

Local officials figure that Lane's most available time for the trip will be immediately after the adjournment of Congress. He may be unable to population survive today. accompany Secretary of the Navy Daniels, but probably will come about the same time—possibly slightly later.
The same official who brought this news also says he was informed by business men throughout the East and in Chicago that business conditions

are recovering speedily from the de-pression felt during the last year. This is attributed partly to a renewal of confidence since the effect of the European war can be determined with some definiteness and in part to grow. ing confidence in the present national administration. Business in general he says, appears to be returning to its normal tone, at least on the east ern half of the mainland.

WASHINGTON, D. C., Jan. 14.—The Senate today passed the bill reforming court procedure, with a provision that appeals to the supreme court from rulings by Hawaii courts be restricted to federal cases.
